

got map?

All students planning to earn a certificate, two year degree and/or transfer are required to have a comprehensive educational plan (MAP) approved by a counselor by the time they are ready to enroll in their 16th degree applicable unit or at the end of their third semester, whichever comes first.

- Step 1:** Go to www.saddleback.edu
- Step 2:** Click on the MySite link and log in with your student ID number and 4 digit pin code.
- Step 3:** Students that have completed the Matriculation process will have already started a plan when they did their *First Semester Plan*. You can continue that plan by clicking on the link that reads “My Plans” and then click on the plan name to open it.
- Step 4:** If you have not completed a *First Semester Ed Plan*, you can start a new plan by clicking on either the *First Semester Plan* link or the *New Plan* link.
- Step 5:** Once you have completed your plan, attend a MAP workshop, Open MAP Lab, or see a counselor to have your plan **approved**.

My Academic Plan (MAP) Workshops

Beginning Fall 2014, students who want a Saddleback College Certificate, Associate Degree, or who want to transfer, are required to complete a My Academic Plan (MAP) and have it approved by a counselor. This MAP is due once a student has completed 15 degree applicable units or by the end of their third semester, whichever comes first. **Failure** to complete your MAP after you have reached 15 units will delay your registration.

Please call the Counseling Office at 949-582-4572 to make your **WORKSHOP** appointment. Please check in 15 minutes prior to the start of the workshop. These workshops are designed for students who do not have transcripts from other colleges.

Note: You must have completed the Matriculation process before attending this group workshop.
